

## Instructor Fee Schedule

SHINSHURI charges a Course Fee (see [Course Pricing Schedule](#)) for Shinshuri Built courses and programs plus an Instructor Fee to sell that is 60% of the item price (see [Instructor Fee Schedule](#)). For Instructor Built courses and programs, the Instructor Fee varies depending on your all-time sales and whether you've opted to sell your courses and programs on Shinshuri Leadership Portal (see [Course and Program Requirements](#)). For Instructor Built courses and programs the more you sell, the less our fees become so that you take home more from every sale.

Remember the total purchase includes our Shinshuri Buyer Fee and your Item Price. To calculate your earnings, you need to take the Item Price and deduct our Instructor Fee. We call the total of the Item Price and Shinshuri's Buyer Fee the List Price, and the total List Price value across all purchases of your items is used to calculate our Instructor Fee.
